**Years as a Local 9 Member: 6 years**

**Years Teaching at Local 9 Training Center: 2 months**

**Teaching Philosophy:** Learn by doing!

**What you like most about teaching:** Being able to pass on the knowledge that I have learned over forty years to others.

**What else the student would want to know about you:** I have worked for thirty-three years at AT&T as a splicer and lineman, placing and splicing fiberoptic cable. Also, worked as a fiber splicer in Local 9 from 2012 to 2015. I am a huge Chicago Bears fan!
