

JASON LIS

Years as a Local 9 Member:
21 years

**Years Teaching at Local 9
Training Center:** 1 month

Related Training/Education: Fourteen years' experience COM ED, LOTO trained, CPR and First Aid, Pole Top Rescue certified, Bucket Rescue certified.

Teaching Philosophy: I look forward to teaching the future generation of linemen with the proper skill set needed, along with craftsmanship.

What you like most about teaching: Being able to share my knowledge and experiences to the future of Local 9, as it was handed down to me when I started the trade.

What else the student would want to know about you: I am married with one child. When I am not at work most of my time is spent at boy scouts with my son or building Legos.
