

Kyle Quinlan

Years as a Local 9 Member: 18 years

Years Teaching at Local 9 Training Center: 7 years

Related Training/Education: Bachelor's in engineering at U of I

Teaching Philosophy: "You can light a fire under a man's ass, and you can push him as far as you want, but if you light fire in a man's heart, he will follow you to hell and back."

What you like most about teaching: Getting to share my love of overhead and climbing with future generations of lineman.

What else the student would want to know about you: I am a fourth generation lineman in Local 9 and second generation as a LTS teacher.
