

Daniel G. Mann

Years as a Local 9 Member: 20 years

Years Teaching at Local 9 Training Center: 1 month

Related Training/Education: Traffic

Teaching Philosophy: Building confidence through knowledge and experience.

What you like most about teaching: Sharing my knowledge and experience with new individuals.

What else the student would want to know about you: I never mind being contacted for advice. Traffic signals are a huge liability. If you are not sure, ask someone who is sure.
