

Sal Reina

Years as a Local 9 Member: 18 years

Years Teaching at Local 9 Training Center: 4 years

Teaching Philosophy: Do what you like best and teach it to others.

What you like most about teaching: I get a gratitude when others learn a skill I love doing and they walk away knowing something they never thought they would learn.

What else the student would want to know about you: I take pride in my work and my teaching and I will always help whenever needed.
