

Bob Sullivan

Years Teaching at Local 9 Training Center: 5 months

Related Training/Education: Thirty years as an IBEW member working in telecommunications. I have 20 years of experience in fiber splicing and placing.

Teaching Philosophy: Is to give the students an encouraging space to learn. Allowing room for mistakes in the classroom in order to succeed in the field.

What you like most about teaching: I've enjoyed interacting with the students, learning about their job functions. I enjoy helping them meet the challenge of learning new skills.

What else the student would want to know about you: I enjoy reading, playing guitar and I am a motorsports enthusiast.
